I. Title VI Policy Statement

It is the policy of the Southwest Washington Regional Transportation Council that no person shall on the grounds of race, color, and national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination in any operation of Southwest Washington Regional Transportation Council as provided by Title VI of the Civil Rights Act of 1964 and related statutes.

This policy applies to all operations of Southwest Washington Regional Transportation Council, including its contractors and anyone who acts on behalf of Southwest Washington Regional Transportation Council. This policy also applies to the operations of any department or agency to which Southwest Washington Regional Transportation Council extends federal financial assistance. Federal financial assistance includes grants, training, equipment usage, donations of surplus property, and other assistance.

Prohibited discrimination may be intentional or unintentional. Seemingly, neutral acts that have disparate impacts on individuals of a protected group and lack a substantial legitimate justification are a form of prohibited discrimination. Harassment and retaliation are also prohibited forms of discrimination.

Examples of prohibited types of discrimination based on race, color, or national origin include: Denial to an individual any service, financial aid, or other benefit; Distinctions in the quality, quantity, or manner in which a benefit is provided; Segregation or separate treatment; Restriction in the enjoyment of any advantages, privileges, or other benefits provided; Discrimination in any activities related to highway and infrastructure or facility built or repaired; and Discrimination in employment.

Title VI compliance is a condition of receipt of federal funds. The Title VI Coordinator is authorized to ensure compliance with this policy, Title VI of the Civil Rights Act of 1964, 42 USC § 2000d and related statutes, 42 USC 4601 to 4655; 23 USC 109(h); 23 USC 324; DOT Order 1050.2; EO 12250; EO 12898; 28 CFR 50.3 and 49 CFR part 21.

III. Organization and Staffing

RTC is designated under federal law as the Metropolitan Planning Organization (MPO) for Clark County, and under state law as the Regional Transportation Planning Organization (RTPO), for Clark, Skamania and Klickitat counties. Under state and federal mandates and an Interlocal Agreement signed by all its members, RTC conducts and supports numerous state and federal planning, compliance and certification programs which enable members and other jurisdictions and entities in the region to obtain state and federal funding.

RTC is ultimately responsible for assuring full compliance with the provisions of Title VI of the Civil Rights Act of 1964 and related statutes and has directed that non-discrimination is required of all LPA employees, contractors, and agents pursuant to 49 CFR Part 21. RTC's Principal Planner performs the duties of the Title VI Coordinator and ensures implementation of the Title VI program. The Principal Planner has other duties and responsibilities in addition to Title VI.

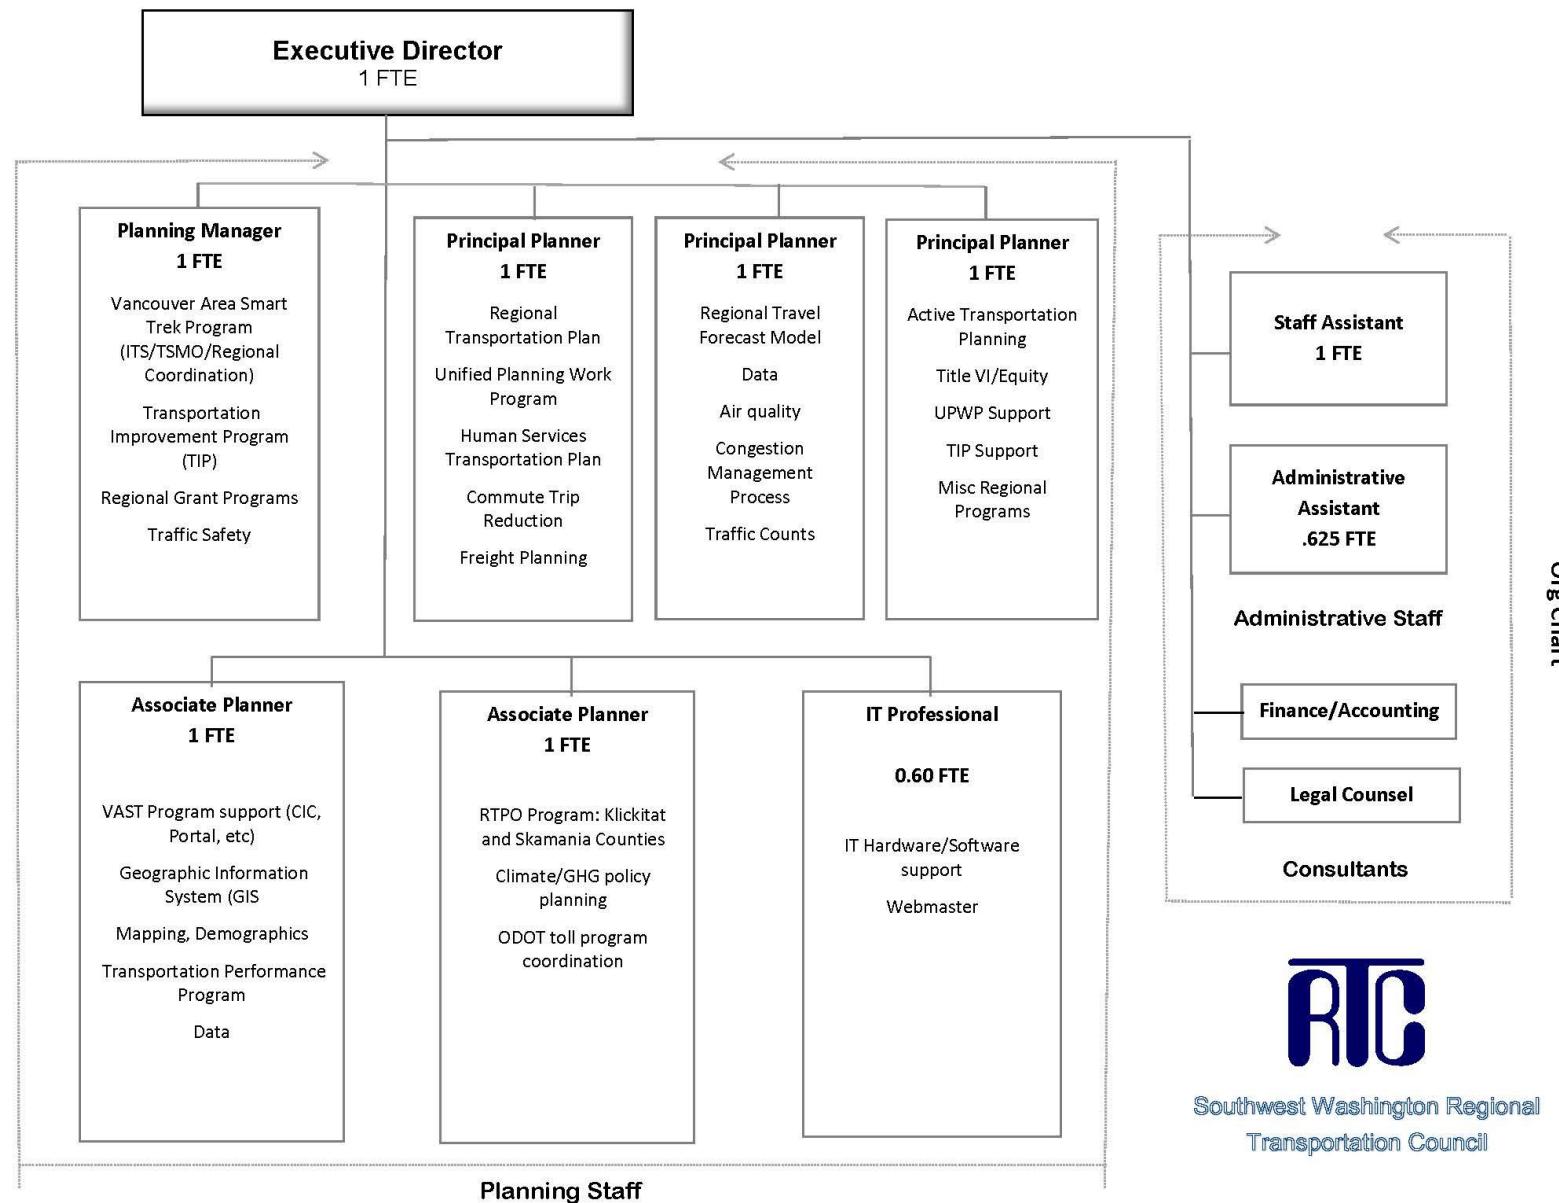

The Title VI Coordinator, under the supervision of the RTC Executive Director, is responsible for the day-to-day administration of the Title VI program, and for carrying out the “Program Area responsibilities” for each Title VI Program Area identified in this Plan.

The Title VI Coordinator is responsible for:

- Submitting a Title VI plan and annual reports on the agency's behalf;
- Developing procedures for the prompt processing and disposition of complaints;
- Investigating complaints, compiling a complaint log, and reporting to WSDOT;
- Developing procedures for the collection and analysis of statistical data;
- Developing a program to conduct Title VI reviews of program areas;

- Coordinating with appropriate federal, state, and regional entities to periodically provide RTC staff with training opportunities regarding Title VI and related statutes
- Ensuring all communications and public involvement efforts comply with Title VI

Other staff members are assigned to assist the coordinator or consulted and involved, as needed. RTC's organizational chart is provided on the following page.

IV. Program Area Responsibilities

All of RTC's work activities have been classified into following four Title VI Program Areas: (1) Communications & Public Involvement, (2) Planning & Programming, (3) Consultant Contracts, and (4) Education & Training. The agency's Title VI-related responsibilities fall into two main categories – “general responsibilities,” applicable to all four Title VI Program Areas, and “Program Area responsibilities” that are specific to each Title VI Program Area.

Program Area	General Description	Title VI/Non-Discrimination Responsibilities and Review
Communications and Public Involvement	RTC utilizes a broad range of public information and participation opportunities, including dissemination of proposals and alternatives, process for written comments, public meetings after effective notice, settings for open discussion, communication programs, information services, and consideration of and response to public comments. V. Subrecipient Review Procedures

RTC will actively pursue the prevention of Title VI deficiencies and violations and will take the necessary steps to ensure compliance with this Title VI program, both within RTC and with RTC's subrecipients when applicable. Currently, RTC does not pass through any FTA funds to local agencies or subcontractors. If RTC passes through FTA funds to a local agency or contractor in the future, the following procedures will be followed to ensure Title VI compliance.

RTC will work to ensure all operational guidelines provided to consultants, contractors, and sub-recipients, including Title VI language provisions and related requirements, where applicable are understood and followed. Periodic Title VI compliance reviews of select recipients of federal funds will be completed by RTC's Title VI Coordinator. For sub-recipients of federal funds, RTC will annually collect and retain a current copy of the sub-recipient's Title VI Plan. RTC will also conduct periodic post-grant reviews of select recipients of federal funds to ensure adherence to Title VI requirements.

Appropriate staff will periodically confirm the operational guidelines provided to consultants, contractors, and sub-recipients, including Title VI language provisions and related requirements, where applicable are understood and followed. When irregularities occur in the administration of federal programs at either the RTC or sub-recipient levels, corrective action will be taken to resolve any identified Title VI issues. RTC will seek the cooperation of the

consultant, contractor, or other sub-recipient in correcting deficiencies found during periodic reviews. RTC will provide technical assistance and guidance, upon request, to support voluntary compliance by the sub-recipient.

When conducting Title VI compliance reviews, RTC will reduce to writing any recommended remedial action agreed upon by RTC and sub-recipient and provide a copy of a letter to the sub-recipient within 45 days. Sub-recipients placed in a deficiency status will be given a reasonable time, not to exceed 90 days after receipt of the deficiency letter, to voluntarily correct deficiencies.

When a sub-recipient fails or refuses to voluntarily comply with requirements within the allotted time frame, RTC will submit to the appropriate oversight agency copies of the case file and a recommendation that the sub-recipient be found in non-compliance. A follow-up review will be conducted within 180 days of the initial review to ascertain if the sub-recipient has complied with the Title VI Plan requirements in correcting deficiencies previously identified. If the subrecipient refuses to comply, RTC and appropriate oversight agency may, with WSDOT's concurrence, initiate sanctions per 49 CFR 21.

VI. Data Collection/Reporting/Analysis

RTC compiles key demographic data on people of color and people with lower incomes populations in the Clark County region, as well as other populations of interest, for environmental justice consideration in conducting regional transportation planning and program activities and public outreach. This information is used to identify the locations of communities within the region with significant people of color and people with lower incomes populations in order to facilitate and enhance environmental justice analyses and activities.

The sources of the data RTC uses for demographic analysis includes the US Census, American Community Survey and Washington Office of Financial Management (OFM). The American Community Survey data can be one-year results or five-year results and is noted as such in the corresponding data.

Program Area	Type of Data Collected & Process for Collecting	Intended Outcome of Data Analysis
Communications and Public Involvement	<ul style="list-style-type: none"> • Non-English language spoken at home from 2020 Census Data 	<ul style="list-style-type: none"> • Determination of what other languages outreach materials needed to be translated to

RTC's most recent analysis showed that approximately 6.1% of Clark, 4.9% of Klickitat and 1% of Skamania county's population are Limited English Proficiency (LEP) persons. At every RTC public meeting, RTC provides Title VI self-discourse forms and a Title VI statement published in Spanish, Russian, Vietnamese, and Chinese. On RTC's home webpage there are links in Spanish, Russian, Vietnamese, and Chinese with information about Title VI, interpretation and translation services as well as complaint forms and procedures. A Title VI statement in Spanish, Russian, Vietnamese, and Chinese is also included in all print materials. For all Limited English Proficiency persons, information is provided on how they may request language assistance, oral interpretation and/or written translation.

VII. Title VI Training

The Title VI Coordinator is responsible for overall Title VI related training and staff development for Title VI Specialists and other employees and will be required to complete the National Transit Institute's Title VI and Public Transit course. The Coordinator will ensure that new staff review FTA's Title VI Overview and/or WSDOT's Title VI Basics for LPAs training. Staff will then

be required to review a Title VI training every 4 years. The Coordinator will work to periodically organize Title VI training opportunities for subrecipients, consultants, contractors, and subcontractors. WSDOT's Office of Equity and Civil Rights may be asked to provide applicable training.

VIII. FHWA Title VI Complaint Procedures

These procedures cover any complaints filed under Title VI of the Civil Rights Act of 1964 as amended and the Civil Rights Restoration Act of 1987 relating to any program or activity administered by the RTC as well as sub-recipients, consultants, and contractors.

Federal Highway Administration (FHWA) Procedures

If a complaint is received by RTC that relates to FHWA programs and activities the following steps will be taken. These procedures do not deny the right of the complainant to file formal complaints with other state or federal agencies or to seek private counsel for complaints alleging discrimination.

Reasonable efforts will be made to assist persons with disabilities, non-English speakers, and others unable to file a written complaint. For assistance in filing a complaint, please contact the RTC Title VI Coordinator at [TitleVI@rtc.wa.gov](mailto>TitleVI@rtc.wa.gov) or 564-397-6067.

Anyone who believes they have been excluded from participation in, denied the benefits of, or otherwise subjected to discrimination under any RTC program, service, or activity because of their race, color, or national origin may file a complaint.

These procedures cover any complaints filed under Title VI of the Civil Rights Act of 1964 as amended and the Civil Rights Restoration Act of 1987 relating to any program or activity administered by the RTC as well as sub-recipients, consultants, and contractors.

Federal Transit Administration (FTA) and Other Federal Agency Procedures

These procedures do not deny the right of the complainant to file formal complaints with other state or federal agencies or to seek private counsel for complaints alleging discrimination. Every effort will be made to resolve complaints informally at the RTC and sub-recipient level. The option of informal mediation meetings(s) between the affected parties and the RTC Title VI Coordinator or a designated mediator may be utilized for resolution.

Reasonable efforts will be made to assist persons with disabilities, non-English speakers, and others unable to file a written complaint. For assistance in filing a complaint, please contact the RTC Title VI Coordinator at [TitleVI@rtc.wa.gov](mailto>TitleVI@rtc.wa.gov) or 564-397-6067.

1. Any individual, group of individuals or entity that believes they have been subjected to discrimination prohibited by nondiscrimination requirements may file a written complaint with RTC's Title VI Coordinator. A formal complaint must be filed within 180 calendar days of the alleged occurrence and be signed by the complainant. RTC will not officially act upon or respond to complaints received verbally. Written complaints will be received by mail or email.

All Complaints must contain the following information:

- The complainant's contact information, including: full name, mailing address, phone number (and best time to call), and email address (if available)
 - The basis of the complaint (e.g., race, color, national origin)
 - The names of person(s) and/or agency/organization alleged to have discriminated
 - A description of the alleged discriminatory actions
 - The date(s) of the alleged discriminatory act(s) and whether the alleged discrimination is ongoing
2. Upon receipt of a verbal complaint, an RTC representative will notify the party or parties of the RTC Title VI Plan, direct them to the RTC web page for the Plan and Complaint Form, and/or provide the complainant with a hard copy of either as requested. The representative shall notify the Title VI Coordinator and Executive Director as soon as

possible of the verbal complaint and action(s) taken to ensure policy compliance. The verbal complaint will be logged as such pending a formal and required written complaint.

3. Upon receipt of the written complaint, RTC will determine its jurisdiction, acceptability, the need for additional information, and the investigative merit of the complaint. In some situations, such as a conflict-of-interest determination, RTC may request their cognizant agency, WSDOT Office of Equity and Civil Rights or the appropriate state/federal agency to conduct the investigation. In the event an outside agency handles the investigation, they will follow their adopted procedures for investigating discrimination complaints, per their current Title VI Plan.

Only qualified, well-trained investigators should conduct these investigations. No agency is allowed to investigate a complaint against itself.

4. If the complaint is against a sub-recipient, consultant, or contractor under contract with RTC, the appropriate division and/or agency shall be notified of the complaint within 15 days.
5. Once RTC decides the course of action, the complainant and the respondent will be notified in writing of such determination within five (5) calendar days. The complaint will be logged into RTC's Title VI records by the Title VI Coordinator along with the basis for the allegation.
6. In cases where RTC assumes the investigation of the complaint, RTC will provide the respondent with the opportunity to respond to the allegations in writing. The respondent will have ten (10) calendar days upon receipt to furnish RTC with her/his response to the allegations.
7. Within 60 days of receipt of the complaint, the Coordinator or outside agency investigator will prepare a written investigative report for RTC's Executive Director. The report shall include a narrative description of the incident, identification of persons interviewed, findings, and recommendations for disposition.
8. The recommendation shall be reviewed by RTC's legal counsel who may discuss the report and recommendations with the Coordinator and other appropriate staff. The report may be reviewed further and modified as needed, then approved by RTC's Executive Director, and made final for its release to the parties. In some cases, an outside party will approve the final report.
9. Once the investigative report becomes final, briefings will be scheduled with each party within 15 calendar days. Both the complainant and the respondent shall receive a copy

of the investigative report during the briefings and will be notified of their respective appeal rights.

10. A copy of the complaint and RTC's investigative report will be forwarded to WSDOT Office of Equity and Civil Rights or the appropriate oversight agency within 60 calendar days of the receipt of the complaint.
11. The Coordinator will update the Complaint Log actions relating to the Title VI complaint throughout any complaint process and, as required, include the information in the Title VI Annual Accomplishments and Goals Report.

If the complainant or respondent is not satisfied with the results of the investigation of the alleged discriminatory practice(s), she/he shall be advised of their rights to appeal RTC's determination to the cognizant agency, Washington State Department of Transportation, U.S. Department of Transportation, other federal agency providing the program funding or the U.S. Department of Justice. The complainant has 180 calendar days after the appropriate agency's final resolution to appeal to the appropriate agency. Unless new facts not previously considered come to light, reconsideration of the final determination by the investigating agency will not be available.

In addition to the complaint process described above, a complainant may file a Title VI complaint with the following offices:

- Washington State Department of Transportation Office of Equity and Civil Rights P.O. Box 47314 310 Maple Park Olympia, WA 98504-7314

XII. Title VI Complaint Log

The RTC maintains a Title VI Complaint Log that tracks any public transportation related Title VI investigations, complaints, or lawsuits that have been filed with RTC. The Complaint log contains the following information:

- Date filed
- The name and address of the person filing the complaint
- Summary of the allegation(s)
- Status of the investigation, lawsuit, or complaint
- Whether all appropriate forms were filed
- Actions taken by RTC in response, of final findings related to, the investigation, lawsuit, or complaint

The Complaint Log and documentation are retained in accordance with the Washington Secretary of State Local Government Common Records Retention Schedule and WSDOT's Consolidated Grant Guidebook requirement of retaining working files for each complaint a minimum of 6 years beyond the end of the project.

RTC has not received any Title VI investigations, complaints, or lawsuits during the period since the last Title VI Plan was updated in November of 2016 and the approval of this Title VI Plan.

XIII. Public Participation

RTC does not provide any direct projects or services to the population of the Southwest Washington region. However, RTC does distribute funds through several transportation programs, including funds for those with special transportation needs, who may include Limited English Proficiency (LEP) persons. All funds RTC distributes are to eligible recipients and must be consistent with adopted regional plans, the approval and adoption process of which are guided by RTC's Public Participation Plan and all other applicable laws and regulations.

RTC encourages public input and involvement from all residents or their representatives. RTC posts agendas for all meetings, which are open to the public, on the RTC website. RTC staff is available to address community organizations as requested. RTC staff fields inquiries from the

public regarding transportation projects, other planning activities, and aging services. RTC frequently updates its website to allow residents to learn about and follow RTC activities.

Consistent with federal requirements associated with the transportation planning process, RTC is committed to nondiscrimination in all of its programs and activities. RTC strives to ensure fair treatment and meaningful involvement of all of the region's residents, regardless of race, color, and national origin. RTC employs specific strategies for reaching out to persons who are traditionally underserved by transportation projects, such as people with lower incomes and people of color households. In addition to ensuring that community members are involved, our transportation investments should not adversely impact these populations; and improvements are to be equitably distributed.

The major elements of RTC's public participation process are:

- Maintain a proactive public participation process
- Support early and continuous participation of the public in developing Regional Transportation Plans and Transportation Improvement Programs
- Provide timely information about transportation issues and processes to citizens, affected public agencies, and system users
- Provide adequate public notice of public participation opportunities
- Provide adequate time for public review and comment at key decision points in development and approval of plans and programs
- Provide reasonable public access to information about transportation issues and processes, including issues relating to development of transportation plans and programs
- Make information on the transportation planning process, including plan and program development and meeting information, available on the World Wide Web
- Visualization techniques such as maps and graphics can be used to simplify and make transportation plans and programs easier to understand
- Hold public meetings at convenient times and locations that are accessible by public transportation

- Consider, document, and use public suggestions and recommendations received during the planning and development processes
- Identify and address the transportation needs of the traditionally underserved, including people with lower incomes, people of color populations, and populations with special transportation needs (populations covered by the Americans with Disabilities Act), and identify the effects of transportation policies, plans, and projects on these populations

At every RTC public meeting, RTC provides Title VI self-disclosure forms and a civil rights flyer published in Spanish, Russian, Vietnamese, and Chinese. On RTC's home webpage there are four links in Spanish, Russian, Vietnamese, and Chinese to information about Title VI, interpretation and translation services as well as complaint forms in Spanish, Russian, Vietnamese, and Chinese. A Title VI statement in Spanish, Russian, Vietnamese, and Chinese is also included in all print materials. Additionally, RTC provides Title VI self-disclosure forms at every public meeting.

XIV. Demographic Profile

All of Drawing from the U.S. Census data, RTC compiled data tables of key demographic statistics on the region's people of color and people with lower incomes and other populations and characteristics of interest for environmental justice consideration. The data tables report statistics for the counties of Clark, Klickitat, and Skamania, Washington, the RTPO boundary.

Table 3 – People with Lower Incomes by Race and Ethnicity

Table 4 – Median Household Income by Race and Ethnicity

Observations

Tables 1 and 2 provide essential statistics on the region's people of color and people with lower incomes. People of color—or non-White persons, including White persons of Hispanic/Latino origin—comprised 18.1% of the region's total population in 2020. Blacks/African Americans constitute 2.3% of the region's total population; American Indians/Alaskan Natives, 1.0%; Asians/Pacific Islanders, 5.9%; and Hispanics/Latinos, 11.7%.

In 2022 the regionwide *people with lower incomes* rate was 8.9% for Clark County, 13.8% for Klickitat County, and 8.6% for Skamania County. Table 2 also reports statistics for the percentage of the region's population below 150% and 200% of the federal poverty level in 2022. These statistics indicate that there are substantial numbers of families and individuals in the region whose incomes are above the federal poverty level but within a range that may still be considered lower income, particularly when taking into account the cost of living in the Vancouver/Portland metropolitan region.

XV. Funding Distribution

RTC is Utilizing Census data and the federal funding amounts RTC has distributed since 2016 in Clark, Klickitat, and Skamania counties, an analysis was completed for identifying people of color populations and the amount of federal funding distributed to those areas. Funding programs included the Surface Transportation Block Grant (STBG) Program, Congestion Mitigation and (CMAQ) Air Quality Improvement Program, Transportation Alternatives (TA) Program, and the Carbon Reduction (CRP) Program. RTC is responsible for the distribution of STBG, CMAQ, TA, and CRP funds for Clark County and TA funds for Clark, Klickitat, and Skamania counties.

Table 11 shows the amount of federal funding distributed to people of color populations for the RTC RTPO area that includes Clark, Klickitat, and Skamania counties. Projects that covered multiple census tracts, entire counties, or the whole three-county region were included in the highest percent people of color populations that they impacted.

Table 7: Federal Funding Distributed by People of Color Population – Total RTPO Area (Clark, Klickitat, Skamania counties)

People of Color Population	Total Federal Funding	% of Total Federal Funding
5% to 10%	\$332,800	0.4%
10% to 25%	\$20,210,600	24.5%
25% to 50%	\$50,428,670	61.2%
Greater than 50%	\$11,429,400	13.9%
Total	\$82,401,470	100.0%

Table 12 shows the amount of federal funding distributed to people of color populations for the Clark County MPO area. Projects that covered multiple census tracts, entire counties, or the whole three-county region were included in the highest percent of people of color populations that they impacted.

Table 8: Federal Funding Distributed by People of Color Population – MPO Area (Clark County)

People of Color Population	Total Federal Funding	% of Total Federal Funding
5% to 10%	-	0.0%
10% to 25%	\$20,210,600	24.7%
25% to 50%	\$50,254,500	61.4%
Greater than 50%	\$11,429,400	14.0%
Total	\$81,894,500	100.0%

Table 13 shows the amount of federal funding distributed to people of color populations for the Klickitat and Skamania counties. Projects that covered multiple census tracts, entire counties, or the whole three-county region were included in the highest percent of people of color populations that they impacted.

Table 9: Federal Funding Distributed by People of Color Population – Klickitat and Skamania counties

People of Color Population	Total Federal Funding	% of Total Federal Funding
5% to 10%	\$332,800	65.6%
10% to 25%	-	0.0%
25% to 50%	\$174,170	34.4%
Greater than 50%	-	0.0%
Total	\$506,970	100.0%

Analysis of the distribution of RTC funding shows that for the RTPO area that includes Clark, Klickitat, and Skamania counties 99.6% of the funding since 2016 went to areas with 10% or more of people of color. In areas where 25% or more of the population are people of color, the percentage was 75.1%.

For Clark County the percentage was 100% for areas with 10% or more of people of color and 75.4% for areas with 25% or more of populations that are people of color. For Klickitat and Skamania counties, it was 34.4% with populations of at least 25% or more of people of color and 65.6% in areas with 5% to 10% of people of color.

Examination of the funding distribution since 2016 to areas of people of color shows no net disproportionate impact and no clear pattern of denying benefits of transportation planning and programming to these populations. RTC will continue to track how funds are distributed to areas of people of color to avoid disparate impacts to these populations.

XVI. Limited English Proficiency

RTC is committed to engaging and involving all residents of Southwest Washington, including those with Limited English Proficiency (LEP), in its activities. Therefore, in accordance with the best practice standards for public involvement, together with assistance from the Washington State Department of Transportation (WSDOT) and other federal agencies, RTC has developed a

Language Assistance Plan (LAP). The LAP Plan outlines: how persons who may need language assistance are identified; the ways in which assistance is provided; and how LEP persons are notified assistance is available.

The RTC region consists of Clark, Skamania, and Klickitat counties. To understand the profile of persons that may participate in RTC activities, the most recent United States Census data was used. For the purposes of this LAP Plan, persons who identified themselves as speaking English less than “very well” are considered LEP persons. Tables 1 through 3, below, summarize the relevant information derived from the United States Census Bureau 2018-2022 American Community Survey (ACS) 5-year Estimates – Table C16001: Language Spoken at Home by Ability to Speak English for the Population 5 Years of Age and Over.

Table 10: Clark County - Speak English Less Than “Very Well”, 2022

Language Spoken at Home Clark County, WA	Total Persons	% of Total Population
Spanish or Spanish Creole	11,537	2.4%
Russian, Polish, or Other Slavic	7,510	1.6%
Vietnamese	1,929	0.4%
Chinese	1,863	0.4%

Total Population (Speak English Very Well)	446,327	93.9%

Source: 2018-2022 American Community Survey 5-year Estimates – Table C16001

In Clark County (Table 1), Spanish or Spanish Creole is the most common non-English language spoken at home, accounting for almost half of the estimated 28,821 persons that speak English less than “very well.” The estimated total LEP population of 28,821 represents about 6.1% of total 446,327 residents in Clark County.

Table 11: Klickitat County - Speak English Less Than “Very Well”, 2022

Language Spoken at Home Klickitat County, WA	Total Persons	% of Total Population
Spanish or Spanish Creole	1,028	4.7%

Other LEP Population	36	0.2%
Total LEP Population	1,064	4.9%
Total Population (Speak English Very Well)	20,681	95.1%

Source: 2018-2022 American Community Survey 5-year Estimates – Table C16001

Spanish or Spanish Creole is also the most common non-English language spoken at home in Klickitat County (Table 2). The estimated 1,028 Spanish speakers who speak English less than “very well” represent over 97% of the 1,064 Klickitat residents who speak English less than “very well.” Over all about 4.9% of Klickitat County’s 20,681 persons are LEP persons.

Total Population (Speak English Very Well)	11,502	99.0%

Source: 2018-2022 American Community Survey 5-year Estimates – Table C16001

In Skamania County (Table 3), Spanish or Spanish Creole is the most common non-English language spoken at home, accounting for almost all of the estimated 158 persons that speak English less than “very well.” The estimated LEP population of 111 represents about 1.0% of total 11,502 persons that reside in Skamania County.

At every RTC public meeting, RTC provides Title VI self-disclosure forms and a Title VI notice published in Spanish, Russian, Vietnamese, and Chinese. On RTC’s home webpage there are four links in Spanish, Russian, Vietnamese, and Chinese to information about Title VI and interpretation and translation services. RTC’s vital documents are also provided on the web site in Spanish, Russian, Vietnamese, and Chinese. A Title VI statement in Spanish, Russian, Vietnamese, and Chinese is included in all print materials.

If a participant does not speak Spanish, Russian, Vietnamese, or Chinese, *I Speak Cards* are used to identify a person’s primary language. The cards were developed by the United States Census Bureau, and bear the phrase “Mark this box if you read or speak [name of language]” translated into 38 different languages. The LEP person can then denote the language, and staff can respond as appropriate to provide or obtain assistance.

XVII. Environmental Justice

To help in identifying the underserved populations, RTC publishes an Environmental Justice (EJ) Demographic Profile using Census and American Community Survey data to identify and locate people of color, people with lower incomes, elderly, and limited English proficient populations in the region. The Profile contains data that allows for the continual updating of information to

track the performance of the regional transportation system and implemented strategies. It includes demographic information for Clark, Klickitat, and Skamania counties.

The demographic profile compile keys demographic data on people of color and people with lower incomes, as well as other populations of interest, for environmental justice consideration in conducting regional transportation planning and program activities and public outreach. It also Identifies the locations of communities within the region with significant people of color and people with lower incomes in order to facilitate and enhance environmental justice analyses and activities.

The demographic profile provides information to help further RTC's goal of applying a wholistic equity lens to its planning practices to address existing inequities and prevent the creation of new inequities. The demographic profile identifies the location of minority populations to help determine the type of public outreach and whether the effects of agency actions will disproportionately impact or benefit these populations. RTC uses the profile data as the basis for providing an analysis of the impacts of key decisions on minority populations as part of the planning process.

It allows RTC to not only identify minority populations in Clark, Klickitat, and Skamania counties, but also provides the information necessary to ensure the mobility needs of minority populations are considered in the planning process. RTC utilizes this information to ensure:

- reduction of barriers to public participation by providing access to materials through translation or other accessible formats at no additional cost.
- access to locations that RTC holds meetings meet ADA standards and are accessible by public transportation.
- translation of RTC vital documents are made available in multiple fromats and that other documents are translatated such as surveys, online open houses, and plans.
- impact of proposed projects on minority populations are analyzed as part of RTC's Transportation Improvement Program.
- specific mobility needs of minority populations are integrated into the regional transportation planning process and are used to deveop proposed project, programs, and plans.
- special studies such as safety action plans and active transportation plans analyze and implement ways to reduce impacts and improve mobility for minority populations

RTC's goal is to apply a wholistic equity lens to its planning practices to address existing inequities and prevent the creation of new inequities. In support of this work, RTC's equity lens is based on the identification of Equity Focus Areas (EFA) for minority populations utizling demographic profile data. The equity focus areas were initially developed as part of the 2024 RTP 20-year project list evaluation process to ensure there were no disproportionate impacts or no clear pattern of denying benefits of transportation planning, programming and projects to minority populations.

Equity Focus Areas are identified as census block groups or tracts with higher than the Clark County average concentrations and double the density for the following populations: of people of color (block group), people with lower incomes (block group) and people with limited English proficiency (tract). Most of these areas also include higher than regional average concentrations of other minority populations, including youth, older adults and people living with disabilities. The threshold rates for each population are identified in the following table.

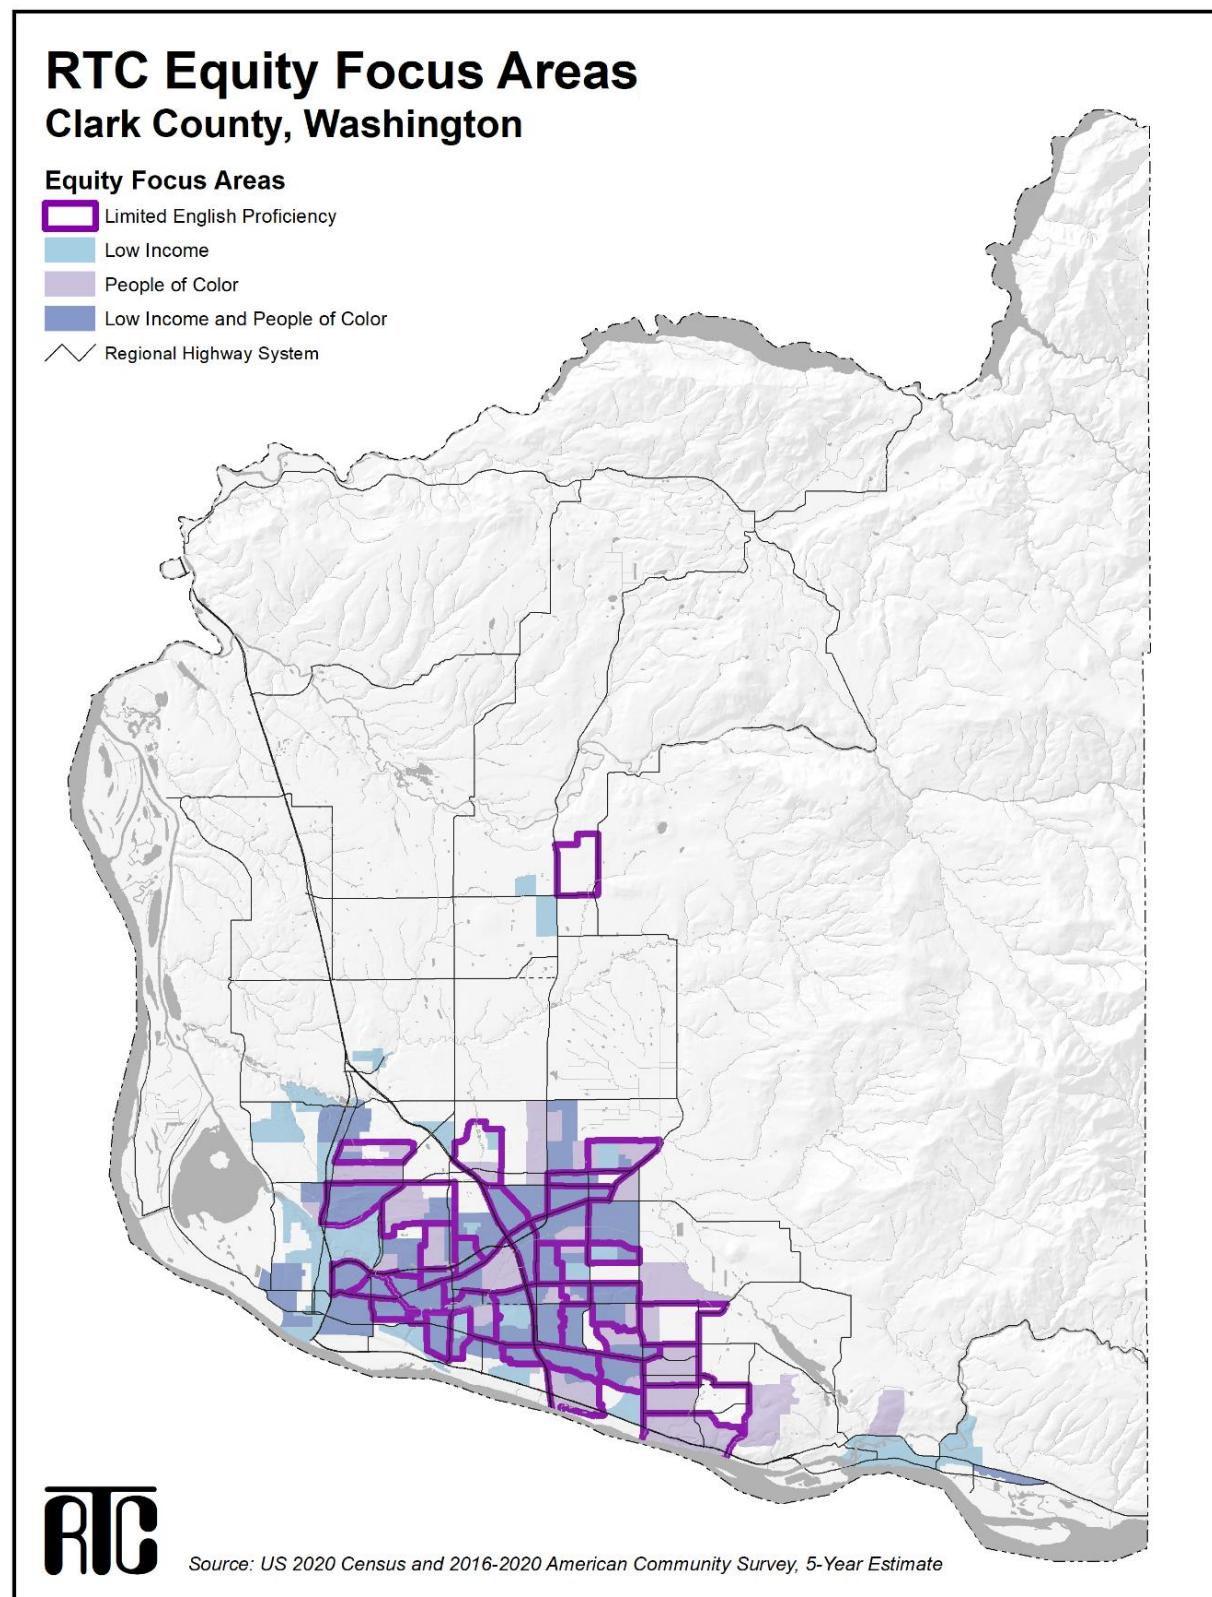

Table 13 - Equity Focus Area Thresholds

More specifically, and without limiting the above general Assurance, the Recipient agrees with and gives the following Assurances with respect to its Federally assisted program:

6. That where the Recipient receives Federal financial assistance in the form, or for the acquisition of real property or an interest in real property, the Assurance will extend to rights to space on, over, or under such property.
7. That the Recipient will include the clauses set forth in Appendix C and Appendix D of this Assurance, as a covenant running with the land, in any future deeds, leases, licenses, permits, or similar instruments entered into by the Recipient with other parties:

 - a. the period during which the property is used for a purpose for which the Federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits; or
 - b. the period during which the Recipient retains ownership or possession of the property.
9. The Recipient will provide for such methods of administration for the program as are found by the Secretary of Transportation or the official to whom he/she delegates specific authority to give reasonable guarantee that it, other recipients, sub-recipients, sub-grantees, contractors, subcontractors, consultants, transferees, successors in interest, and other participants of Federal financial assistance under such program will comply with all requirements imposed or pursuant to the Acts, the Regulations, and this Assurance.

Procedimientos de reclamación del Título VI de FHWA

Las leyes federales prohíben la discriminación por motivos de raza, color u origen nacional en cualquier programa, servicio o actividad del Consejo Regional de Transporte del Suroeste de Washington (Regional Transportation Council, RTC). Esta prohibición se aplica a todas las sucursales del RTC, sus contratistas, consultores y cualquier otra persona que actúe en nombre del RTC.

Las quejas relacionadas con cualquier programa de ayuda federal que no esté relacionado con el Plan de Transporte de Servicios Humanos se pueden presentar ante RTC y se enviarán al Departamento de Transporte del Estado de Washington – Oficina de Equidad y Derechos Civiles. Para quejas relacionadas con el Plan de Transporte de Servicios Humanos, utilice el formulario y el proceso FTA que se describen en la siguiente sección. Si necesita ayuda para presentar su reclamación o necesita servicios de interpretación, póngase en contacto con el Coordinador del Título VI en [TitleVI@rtc.wa.gov](mailto>TitleVI@rtc.wa.gov) o al 564-397-6067.

Cualquier persona que crea que ha sido excluida de la participación, se le hayan negado los beneficios o haya sido sometida de otro modo a discriminación bajo cualquier programa, servicio o actividad de RTC debido a su raza, color u origen nacional puede presentar una reclamación.

La discriminación incluye falta de acceso, acoso, represalias e impactos dispares de un programa o actividad. El acoso incluye una amplia gama de comportamientos físicos o verbales abusivos y humillantes. Las represalias incluyen intimidar, amenazar, coaccionar o participar en otras conductas discriminatorias contra cualquier persona porque presentó una queja o participó de otra manera en una investigación de discriminación.

Estos procedimientos cubren cualquier reclamación presentada en virtud del Título VI de la Ley de Derechos Civiles de 1964 en su versión enmendada y la Ley de Restauración de Derechos Civiles de 1987 en relación con cualquier programa o actividad administrado por el RTC, así como subdestinatarios, consultores y contratistas.

Procedimientos de la Administración Federal de Autopistas (Federal Highway Administration, FHWA)

Si RTC recibe una reclamación relacionada con programas y actividades de la FHWA, se tomarán las siguientes medidas. Estos procedimientos no niegan el derecho del reclamante a presentar reclamaciones formales ante otras agencias estatales o federales ni a buscar asesoramiento privado para reclamaciones que aleguen discriminación.

Se harán esfuerzos razonables para ayudar a las personas con discapacidades, que no sean angloparlantes y otras personas que no puedan presentar una reclamación por escrito. Si necesita ayuda para presentar su reclamación, póngase en contacto con el Coordinador del Título VI en [TitleVI@rtc.wa.gov](mailto>TitleVI@rtc.wa.gov) o al 564-397-6067.

1. Cualquier individuo, grupo de individuos o entidad que crea que ha sido objeto de discriminación prohibida por los requisitos de no discriminación puede presentar una queja por escrito ante el Coordinador del Título VI del RTC. Una denuncia formal debe presentarse dentro de los 180 días calendario siguientes al presunto suceso y estar firmada por el denunciante. Comuníquese con el Coordinador del Título VI de RTC si cree que su queja puede quedar fuera de este plazo.
2. Las quejas deberán presentarse por escrito, firmadas y podrán presentarse por correo, fax, personalmente o correo electrónico. Si un denunciante llama a RTC con alegaciones, las alegaciones de la denuncia se transcribirán tal como se proporcionó por teléfono y luego se enviará la queja por escrito al denunciante para que la corrija y la firme. Las quejas pueden presentarse a:

El representante notificará al Coordinador del Título VI y al Director Ejecutivo lo antes posible la reclamación verbal y la(s) acción(es) adoptada(s) para garantizar el cumplimiento de la política. La reclamación verbal se registrará como tal, pendiente de una reclamación formal y requerida por escrito.
6. Tras la recepción de una reclamación por escrito, RTC la remite a la Oficina de Equidad y Derechos Civiles de WSDOT para su procesamiento por parte de FHWA. WSDOT investiga las reclamaciones solo si FHWA las delega después de la aceptación de una queja. FHWA es responsable de todas las determinaciones sobre si aceptar, desestimar o transferir la reclamación y no encontrar ninguna infracción o incumplimiento.

Los reclamantes tienen derecho a presentar una reclamación directamente ante la agencia de financiamiento federal. La siguiente dirección es donde las reclamaciones del Título VI pueden presentarse directamente ante FHWA:

Federal Highway Administration

Las leyes federales prohíben las represalias contra las personas por haber presentado una reclamación de discriminación o haber participado de otro modo en una investigación de discriminación. Cualquier presunta represalia debe notificarse por escrito al investigador.

8. FHWA tomará las decisiones finales en todos los casos, incluidas las investigadas por WSDOT. No hay foros de apelación administrativa en las reclamaciones del Título VI. Una vez que la FHWA emite su decisión final de agencia, se cierra una reclamación.

9. El Coordinador del Título VI de RTC actualizará las acciones del Registro de reclamaciones del Título VI relacionadas con la reclamación del Título VI a lo largo de cualquier proceso de reclamación y, según sea necesario, incluirá la información en el Informe anual de logros y objetivos del Título VI.

No existe ninguna prohibición contra un reclamante que presente una reclamación del Título VI simultáneamente con una agencia local, WSDOT y FHWA.

Se hará todo lo posible por resolver las reclamaciones de forma informal a nivel de RTC y subdestinatario. La opción de reunión(es) informal(es) de mediación entre las partes afectadas y el Coordinador del Título VI del RTC o un mediador designado puede utilizarse para la resolución.

Se harán esfuerzos razonables para ayudar a las personas con discapacidades, que no sean angloparlantes y otras personas que no puedan presentar una reclamación por escrito. 3. Tras la recepción de la reclamación por escrito, RTC determinará su jurisdicción, aceptabilidad, necesidad de información adicional y el mérito de investigación de la reclamación. En algunas situaciones, como una determinación de conflicto de intereses, RTC puede solicitar a su agencia competente, a la Oficina de Equidad y Derechos Civiles del WSDOT o a la agencia estatal/federal correspondiente que lleve a cabo la investigación. En caso de que una agencia externa gestione la investigación, seguirá sus

procedimientos adoptados para investigar las quejas por discriminación, según su actual Plan del Título VI.

Solo investigadores cualificados y bien capacitados deben llevar a cabo estas investigaciones. Ninguna agencia puede investigar una reclamación contra sí misma.

4. Si la reclamación es contra un subdestinatario, consultor o contratista bajo contrato con RTC, se notificará la reclamación a la división y/o agencia correspondiente en un plazo de 15 días.
5. Una vez que RTC decida el curso de acción, el reclamante y el demandado serán notificados por escrito de dicha determinación en un plazo de cinco (5) días naturales. El Coordinador del Título VI registrará la reclamación en los registros del Título VI de RTC junto con la base de la acusación.
6. En los casos en los que RTC asuma la investigación de la reclamación, RTC proporcionará al demandado la oportunidad de responder a las acusaciones por escrito. El demandado tendrá diez (10) días naturales tras su recepción para proporcionar a RTC su respuesta a las acusaciones.
7. En un plazo de 60 días desde la recepción de la reclamación, el Coordinador o el investigador externo preparará un informe de investigación por escrito para el Director Ejecutivo de RTC. El informe incluirá una descripción narrativa del incidente, la identificación de las personas entrevistadas, los hallazgos y las recomendaciones para su disposición.
8. La recomendación será revisada por el asesor jurídico de RTC, quien podrá comentar el informe y las recomendaciones con el coordinador y otro personal adecuado. El informe puede revisarse con mayor profundidad y modificarse según sea necesario, luego ser aprobado por el director ejecutivo de RTC y ser definitivo para su divulgación a las partes. En algunos casos, una parte externa aprobará el informe final.
9. Una vez que el informe de investigación sea definitivo, se programarán reuniones informativas con cada parte en un plazo de 15 días naturales. Tanto el reclamante como el demandado recibirán una copia del informe de investigación durante las sesiones informativas y se les notificarán sus respectivos derechos de apelación.

10. Se enviará una copia de la reclamación y del informe de investigación de RTC a la Oficina de Equidad y Derechos Civiles de WSDOT o a la agencia de supervisión correspondiente en un plazo de 60 días naturales desde la recepción de la reclamación.
11. El Coordinador actualizará las acciones del Registro de reclamaciones relacionadas con la reclamación del Título VI a lo largo de cualquier proceso de reclamación y, según sea necesario, incluirá la información en el Informe anual de logros y objetivos del Título VI.

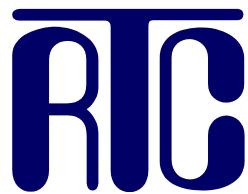

Si el reclamante o el demandado no está satisfecho con los resultados de la investigación de la(s) supuesta(s) práctica(s) discriminatorias, se le informará de sus derechos a apelar la determinación de RTC ante la agencia competente, el Departamento de Transporte del Estado de Washington, el Departamento de Transporte de los EE. UU., otra agencia federal que proporcione el financiamiento del programa o el Departamento de Justicia de los EE. UU. El reclamante tiene 180 días calendario después de la resolución final de la agencia correspondiente para apelar a la agencia correspondiente. A menos que salgan a la luz nuevos hechos no considerados anteriormente, no estará disponible la reconsideración de la determinación final por parte de la agencia de investigación.

Además del proceso de reclamación descrito anteriormente, un reclamante puede presentar una reclamación del Título VI ante las siguientes oficinas:

- Washington State Department of Transportation Office of Equity and Civil Rights P.O. Box 47314 310 Maple Park Olympia, WA 98504-7314

Процедуры подачи жалоб FHWA Раздел VI

Федеральный закон запрещает дискриминацию по признаку расы, цвета кожи или национального происхождения во всех программах, услугах и прочей деятельности Регионального транспортного совета Юго-Западного Вашингтона (далее – RTC). Этот запрет распространяется на все отделения RTC, его подрядчиков, консультантов и всех, кто действует от имени Регионального транспортного совета Юго-Западного Вашингтона (RTC).

Жалобы, связанные с любыми программами федеральной помощи, не связанными с Планом транспортировки социальных служб, могут быть поданы в RTC. Они будут переданы в Управление по вопросам равенства и гражданских прав Департамента транспорта штата Вашингтон (WSDOT). Для подачи жалоб, связанных с Планом транспортировки социальных служб, используйте форму FTA и процедуру, описанную в следующем разделе. Если вам нужна помочь в подаче жалобы или услуги устного перевода, обратитесь к координатору RTC по Разделу VI: [TitleVI@rtc.wa.gov](mailto>TitleVI@rtc.wa.gov) или 564-397-6067.

Любой человек, который считает, что его исключили из участия, лишили льгот или иным образом подвергли дискриминации в рамках любой из программ, услуг или деятельности RTC из-за его расы, цвета кожи или национального происхождения, может подать жалобу.

Дискриминация включает отсутствие доступа, преследование, месть и несопоставимое воздействие программы или деятельности. Преследование включает в себя широкий спектр оскорбительных и унизительных словесных или физических действий. Возмездие включает в себя запугивание, угрозы, принуждение или участие в других дискриминационных действиях в отношении кого-либо за то, что он подал жалобу или иным образом участвовал в расследовании дискриминации.

Эти процедуры распространяются на любые жалобы, поданные в соответствии с разделом VI Закона о гражданских правах 1964 года с поправками и Законом о восстановлении гражданских прав 1987 года, касающиеся любой программы или деятельности, осуществляющей RTC, а также его подразделений, консультантов и подрядчиков.

Процедуры Федерального управления шоссейных дорог США (FHWA)

Если в RTC поступит жалоба по поводу программ и мероприятий FHWA, будут предприняты описанные ниже действия. Эти процедуры не лишают заявителя права подавать официальные жалобы в другие государственные или федеральные учреждения или обращаться к частному адвокату в связи с жалобами на дискриминацию.

Мы оказываем разумную помощь лицам с ограниченными возможностями, лицам, не говорящим по-английски, и другим лицам, которые не могут подать письменную жалобу. 8. Окончательные решения по всем делам, включая те, которые расследуются WSDOT, вынесет FHWA. По жалобам Раздела VI нет административных апелляционных форумов. Как только FHWA вынесет окончательное решение, жалоба будет закрыта.
9. Координатор RTC по разделу VI будет обновлять журнал жалоб по разделу VI в отношении действий, связанных с жалобой по разделу VI, на протяжении всего

процесса рассмотрения жалоб и, в соответствии с требованиями, включать информацию в годовой отчет о целях и достижениях по разделу VI.

Для разрешения спора можно использовать вариант неофициальных посреднических встреч между заинтересованными сторонами и координатором RTC по Разделу VI или назначенным посредником.

Мы оказываем разумную помощь лицам с ограниченными возможностями, лицам, не говорящим по-английски, и другим лицам, которые не могут подать письменную жалобу. Если вам нужна помощь в подаче жалобы, обратитесь к координатору RTC по Разделу VI: [TitleVI@rtc.wa.gov](mailto>TitleVI@rtc.wa.gov) или 564-397-6067.

1. Любое физическое лицо, группа лиц или организация, которые считают, что они подверглись дискриминации, запрещенной законом, могут подать письменную жалобу координатору RTC по разделу VI. Официальная жалоба должна быть подана в течение 180 календарных дней с момента инцидента и должна быть подписана

заявителем. RTC не будет принимать официальных мер или отвечать на жалобы, полученные в устной форме. Письменные жалобы принимаются по почте или по электронной почте.

Attn: Title VI Coordinator
Southwest Washington Regional Transportation Council
PO Box 1366
Vancouver, WA 98666-1366
эл. почта: TitleVI@RTC.org

Все жалобы должны содержать следующую информацию:

- контактную информацию заявителя, включая: полное имя, почтовый адрес, номер телефона (и лучшее время для звонка) и адрес электронной почты (при наличии)
 - признак дискриминации (например, раса, цвет кожи, национальное происхождение)
 - имена, фамилии конкретных лиц и/или агентств/организаций, предположительно совершивших дискриминацию
 - описание действий, которые вы считаете дискриминационными
 - даты этих действий, и продолжается ли предполагаемая дискриминация до сих пор
2. После получения устной жалобы представитель RTC уведомит сторону или стороны о Плане RTC по разделу VI, направит их на веб-страницу RTC для ознакомления с Планом и формой жалобы и/или предоставит заявителю печатную копию любого из этих документов по запросу. Представитель должен как можно скорее уведомить координатора по разделу VI и исполнительного директора о поступившей устной жалобе и действиях, предпринятых для соблюдения политики компании. Устная жалоба будет зарегистрирована как поступившая в ожидании официальной и обязательной письменной жалобы.
3. После получения письменной жалобы, RTC определит её юрисдикцию, приемлемость, необходимость в дополнительной информации и следственную значимость жалобы. В некоторых ситуациях, например, при выявлении конфликта интересов, RTC может обратиться к своему компетентному органу, Управлению по вопросам справедливости и гражданских прав WSDOT, или к соответствующему

местному/федеральному агентству для проведения расследования. Если расследованием занимается сторонняя организация, она будет следовать принятым процедурам расследования жалоб на дискриминацию в соответствии с действующим Планом по разделу VI.

Такие расследования должны проводить только квалифицированные, хорошо подготовленные следователи. Ни одно ведомство не имеет права расследовать жалобу на себя.

4. Если жалоба направлена против подразделения, консультанта или подрядчика по контракту с RTC, соответствующее подразделение и/или организация должны быть уведомлены о жалобе в течение 15 дней.
5. Как только RTC примет решение о дальнейших действиях, истец и ответчик будут уведомлены в письменной форме о таком решении в течение 5 (пяти) календарных дней. Жалоба будет зарегистрирована в записях RTC по Разделу VI координатором по Разделу VI, вместе с основанием для обвинения.
6. Если RTC берёт расследование жалобы на себя, RTC предоставит ответчику возможность ответить на обвинения в письменной форме. У ответчика будет 10 (десять) календарных дней после получения, чтобы предоставить RTC свой ответ на обвинения.
7. В течение 60 дней с момента получения жалобы координатор или сторонний следователь подготовит письменный отчёт о расследовании для исполнительного директора RTC. Отчёт должен содержать подробное описание инцидента, проверенные полные имена опрошенных лиц, выводы и рекомендации по устранению последствий.
8. Эти рекомендации должны быть рассмотрены юристом RTC, который может обсудить отчёт и рекомендации с координатором и другими уполномоченными сотрудниками. Отчёт может быть дополнительно проверен и изменён по мере необходимости, затем он утверждается исполнительным директором RTC и предоставляется сторонам конфликта. В некоторых случаях окончательный отчёт утверждает внешняя сторона.
9. Как только отчёт о расследовании будет утверждён окончательно, в течение 15 календарных дней будут запланированы брифинги с каждой из сторон. Как истец, так и ответчик получат копию отчёта о расследовании во время брифингов, и обе стороны будут уведомлены об их правах на обжалование.

10. Копия жалобы и отчёт о расследовании RTC будут отправлены в Управление справедливости и гражданских прав WSDOT или в соответствующий надзорный орган в течение 60 календарных дней с момента получения жалобы.
11. Координатор будет вносить в журнал жалоб действия, связанные с жалобой по Разделу VI, на протяжении всего процесса рассмотрения жалобы и, при необходимости, включать информацию в Ежегодный отчёт о целях и достижениях по Разделу VI.

Если истец или ответчик не удовлетворён результатами расследования предполагаемого дискриминационного инцидента(ов), он/она должен быть проинформирован об их правах подать апелляцию на решение RTC в компетентный орган: Департамент транспорта штата Вашингтон, Министерство транспорта США, другое федеральное агентство, предоставляющее финансирование программы, или Министерство юстиции США. У заявителя есть 180 календарных дней после вынесения окончательного решения уполномоченным органом, чтобы подать апелляцию в соответствующую инстанцию. Если не выяснятся новые факты, которые ранее не рассматривались, пересмотр окончательного решения следственным органом невозможен.

В дополнение к подаче жалобы по процедуре, описанной выше, заявитель может подать жалобу по разделу VI в следующие ведомства:

- Washington State Department of Transportation Office of Equity and Civil Rights
P.O. Box 47314 310 Maple Park Olympia, WA 98504-7314

- United States Department of Justice Civil Rights Division Coordination and Review Section – NWB 950 Pennsylvania Avenue NW Washington, DC 20530

Thủ tục Khiếu nại Tiêu đề VI của FTA

Luật liên bang cấm hành vi phân biệt đối xử vì lý do chủng tộc, màu da hoặc nguồn gốc quốc gia trong bất kỳ chương trình, dịch vụ hay hoạt động nào của RTC. Quy định cấm này áp dụng cho tất cả các chi nhánh của RTC, các nhà thầu, tư vấn của hội đồng và bất kỳ người nào khác hành động thay mặt cho RTC.

Các khiếu nại liên quan đến Quy trình hoặc Kế hoạch Vận chuyển Dịch vụ Nhân sinh có thể được nộp cho RTC. Sau đó, đơn than phiền sẽ được chuyển đến Văn Phòng Bình Đẳng và Dân Quyền của Sở Giao Thông Vận Tải Tiểu Bang Washington (WSDOT). Nếu quý vị cần được hỗ trợ để nộp đơn than phiền hoặc cần dịch vụ thông dịch, vui lòng liên hệ với Điều Phối Viên Đề Mục VI của RTC theo địa chỉ [TitleVI@rtc.wa.gov](mailto>TitleVI@rtc.wa.gov) hoặc theo số 564-397-6067.

Bất kỳ ai cho rằng mình bị tước quyền tham gia, bị từ chối cung cấp các quyền lợi hoặc bị phân biệt đối xử vì lý do chủng tộc, màu da hoặc nguồn gốc quốc gia trong bất kỳ chương trình, dịch vụ hay hoạt động nào của RTC đều có thể nộp đơn than phiền.

Các quy trình này bao gồm mọi đơn than phiền được nộp theo Đề Mục VI của Đạo Luật Dân Quyền năm 1964 đã được sửa đổi và Đạo Luật Khôi Phục Dân Quyền năm 1987 liên quan đến bất kỳ chương trình hay hoạt động nào do RTC quản lý, cũng như những người nhận phụ, tư vấn và nhà thầu.

Quy Trình của Cơ Quan Quản Lý Vận Tải Liên Bang (FTA) và Cơ Quan Liên Bang Khác

Các quy trình này không phủ nhận quyền của người than phiền trong việc nộp đơn than phiền chính thức lên các cơ quan tiểu bang hoặc liên bang khác hoặc tìm luật sư riêng cho các than phiền cáo buộc hành vi phân biệt đối xử. Mọi nỗ lực sẽ được thực hiện để giải quyết các than phiền một cách không chính thức ở cấp độ RTC và người nhận phụ. Có thể chọn phương án (các) cuộc họp hòa giải không chính thức giữa các bên bị ảnh hưởng và Điều Phối Viên Đề Mục VI của RTC hoặc hòa giải viên được chỉ định để giải quyết.

Hội đồng sẽ nỗ lực hợp lý để hỗ trợ người khuyết tật, người không nói Tiếng Anh và những cá nhân khác không thể nộp văn bản than phiền. Để được hỗ trợ nộp đơn than phiền, vui lòng liên hệ với Điều Phối Viên Đề Mục VI của RTC theo địa chỉ [TitleVI@rtc.wa.gov](mailto>TitleVI@rtc.wa.gov) hoặc theo số 564-397-6067.

1. Bất kỳ cá nhân, nhóm người hoặc tổ chức nào cho rằng mình là nạn nhân của hành vi phân biệt đối xử bị cấm bởi các yêu cầu không phân biệt đối xử đều có thể nộp đơn than phiền bằng văn bản tới Điều Phối Viên Đề Mục VI của RTC. Người than phiền phải nộp đơn than phiền chính thức trong vòng 180 ngày kể từ ngày xảy ra hành vi bị cáo buộc và phải ký vào đơn than phiền. RTC sẽ không

chính thức xử lý hoặc phản hồi các than phiền được tiếp nhận qua lời nói. Đơn than phiền bằng văn bản sẽ được nhận qua đường bưu điện hoặc email.

Sau khi nhận được than phiền bằng lời nói, đại diện RTC sẽ thông báo cho một hoặc các bên về Kế Hoạch theo Đề Mục VI của RTC, hướng dẫn họ truy cập trang web của RTC để biết Kế Hoạch và Mẫu Đơn Khiếu Nại và/hoặc cung cấp cho người than phiền một bản giấy của một trong hai tài liệu đó theo yêu cầu. Người đại diện này sẽ thông báo cho Điều Phối Viên Đề Mục VI và Giám Đốc Điều Hành trong thời gian sớm nhất có thể về than phiền bằng lời nói đó và (các) hành động được thực hiện để đảm bảo tuân thủ chính sách. Than phiền bằng lời nói sẽ được ghi lại để chờ đơn than phiền chính thức và bằng văn bản theo yêu cầu.
3. Sau khi nhận được đơn khiếu nại bằng văn bản, RTC sẽ xác định thẩm quyền, khả năng chấp nhận, nhu cầu cung cấp thêm thông tin và giá trị điều tra của khiếu nại. Trong một số trường hợp, chẳng hạn như xác định tình trạng xung đột lợi ích, RTC có thể yêu cầu cơ quan tiếp nhận, Văn Phòng Bình Đẳng và Dân Quyền của WSDOT hoặc cơ quan liên bang/tiểu bang thích hợp tiến hành điều tra. Trong trường hợp một cơ quan bên ngoài xử lý việc điều tra, cơ quan đó sẽ tuân theo các quy trình đã được thông qua để điều tra các than phiền về phân biệt đối xử, theo Kế Hoạch Đề Mục VI hiện tại của họ.

Chỉ những điều tra viên có trình độ, được đào tạo bài bản mới được tiến hành những cuộc điều tra này. Không cơ quan nào được phép điều tra than phiền chống lại chính cơ quan đó.

4. Nếu là than phiền chống lại người nhận phụ, tư vấn hoặc nhà thầu theo hợp đồng với RTC thì bộ phận và/hoặc cơ quan thích hợp sẽ được thông báo về than phiền đó trong vòng 15 ngày.
5. Sau khi RTC quyết định phương thức hành động, người than phiền và người bị than phiền sẽ được thông báo bằng văn bản về quyết định đó trong vòng năm (5) ngày theo lịch. Than phiền sẽ được Điều Phối Viên Đề Mục VI ghi vào hồ sơ Đề Mục VI của RTC cùng với cơ sở cho cáo buộc đó.
6. Trong trường hợp RTC đảm nhận việc điều tra than phiền, RTC sẽ cho người bị than phiền cơ hội phản hồi các cáo buộc bằng văn bản. Người bị than phiền phải cung cấp cho RTC phản hồi về các cáo buộc trong vòng mười (10) ngày theo lịch kể từ ngày nhận được than phiền đó.
7. Trong vòng 60 ngày kể từ ngày nhận được than phiền, Điều Phối Viên hoặc điều tra viên của cơ quan bên ngoài sẽ chuẩn bị báo cáo điều tra bằng văn bản cho Giám đốc Điều hành của RTC. Báo cáo phải bao gồm phần mô tả tường thuật về vụ việc, danh tính những người được phỏng vấn, các phát hiện và đề xuất cách xử lý.
8. Đề xuất sẽ được cơ quan pháp lý của RTC xem xét, cơ quan có thể thảo luận về báo cáo và đề xuất với Điều Phối Viên và nhân viên thích hợp khác. Báo cáo có thể được xem xét thêm và sửa đổi nếu cần, sau đó được Giám đốc Điều hành của RTC phê duyệt và trở thành báo cáo chính thức để công bố cho các bên. Trong một số trường hợp, một bên bên ngoài sẽ phê duyệt báo cáo cuối cùng.
9. Sau khi có báo cáo điều tra chính thức, các cuộc họp cung cấp thông tin sẽ được lên lịch với mỗi bên trong vòng 15 ngày theo lịch. Cả người than phiền và người bị than phiền đều sẽ nhận được một bản báo cáo điều tra trong các cuộc họp cung cấp thông tin, đồng thời sẽ được thông báo về quyền khiếu nại tương ứng của họ.
10. Một bản đơn than phiền và báo cáo điều tra của RTC sẽ được chuyển đến Văn Phòng Bình Đẳng và Dân Quyền của WSDOT hoặc cơ quan giám sát thích hợp trong vòng 60 ngày kể từ ngày nhận được than phiền.

11. Điều Phối Viên sẽ cập nhật các hành động trong Nhật Ký Than Phiền liên quan đến than phiền theo Đề Mục VI trong suốt mọi quy trình than phiền và, theo yêu cầu, bao gồm cả thông tin trong Báo Cáo Mục Tiêu và Thành Tích Hàng Năm theo Đề Mục VI.

Nếu không hài lòng với kết quả điều tra về (các) hành vi phân biệt đối xử bị cáo buộc, người than phiền hoặc người bị than phiền sẽ được thông báo về quyền khiếu nại quyết định của RTC lên cơ quan tiếp nhận, Sở Giao Thông Tiểu Bang Washington, Bộ Giao Thông Vận Tải Hoa Kỳ, cơ quan liên bang khác cung cấp kinh phí cho chương trình hoặc Bộ Tư Pháp Hoa Kỳ. Người than phiền phải khiếu nại quyết định của cơ quan trong vòng 180 ngày theo lịch sau khi có quyết định chính thức của cơ quan thích hợp. Trừ khi có các tình tiết mới chưa được xem xét trước đó, quyết định chính thức của cơ quan điều tra sẽ không được tái xét.
