

Gee Creek Trail

City of Ridgefield

Project Completed: December 2021

Project Information

RTC funding: TAP \$100,000

Total Project Cost: \$150,000

Project Type: Trail Improvements

Project Length: 0.4 miles

Function Class: NA

Daily Traffic Volume: NA

Project Description

This project is to enhance an existing trail. Work completed includes the addition of a cross walk and flashing beacon on N Heron Drive, drainage improvements to the existing trail, complete bank stabilization plantings, installation of benches, fencing, and various plantings.

Project Benefits

- Increased safety and accessibility crossing Heron Drive
- Benches and native plantings to enhance trail.
- Eliminate flooding on the trail and reduce erosion to the banks of Gee Creek.
